- **Non-staining formula**

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL BEFORE USE
USE RESTRICTIONS:**

This product is not for use on humans or animals:

In the home, all food preparation and eating surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed. Remove pets, birds and cover fish aquariums before spraying.

Do not apply to bed linens or surfaces that will be in direct contact with occupants of the bed. Do not apply as a broadcast surface spray. Not intended for commercial applications.

SHAKE WELL BEFORE EACH USE.

APPLICATION: Use only as a spot treatment or crack and crevice application in residences. Spray in an inconspicuous area to test for possible staining or discoloration. Evaluate test area after drying. Hold container upright with nozzle aimed away from you. Spray surfaces from a distance of 8 to 10 inches until slightly damp. Vacate room after treatment and ventilate before reoccupying. Do not allow children or pets to contact treated areas until surfaces are dry. Allow sprayed articles and surfaces to dry thoroughly before using or replacing bedding.

TO KILL BED BUGS AND BED BUG EGGS: Spray bugs directly when possible. Apply on and around bed frames, headboards, floors, carpeting, baseboards, furniture, moldings, ceilings, and walls. For infested mattresses, apply to tufts, folds, edges, sides, and seams until moist. Allow to dry before remaking bed. For infested furniture, apply only to tufts, seams, folds, and edges. Do not apply to surfaces where prolonged human contact will occur. Also for spot treatment of luggage, closets, drapes and other window or wall appointments.

TO KILL CRAWLING INSECTS: Spray as spot or crack and crevice application where insects are harboring, moving, or breeding. Treat feeding or hiding areas such as baseboards, carpet, floor, rugs, under refrigerators, cabinets, sinks, and stoves. Also treat interior entry points such as doors, around windows, and water pipes.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food. **Pesticide Disposal and Container Handling:** Do not puncture or incinerate! Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

FIRST AID

IF SWALLOWED:	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor. • Do not induce vomiting unless told to do so by a poison control center or a doctor. • Do not give any liquid to the person. • Do not give anything by mouth to an unconscious person.
----------------------	--

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information on this pesticide product (including health concerns, medical emergencies, pesticide concerns or incidents), call 1-888-740-8712.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not apply this product around electrical equipment due to the possibility of shock hazard.

Notice: Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.
